## **Waste Education Tour**

C12 & 13 – Monday 6 May

C14 – Tuesday 7 May

Dear Parents and Caregivers,

The Year 4 Safety Bay Primary School students will be going to Millar Road Landfill Facility on the above dates to support this term's Humanities and Social Sciences (HASS) studies and is therefore, a very important part of learning this year.

**TRANSPORT:** Students will be travelling by charter bus from school to Millar Road Landfill Facility.

- Parents/caregivers will need to drop C13 and C14 students off at school by 8:30am, ready for the bus to depart at 8:45am. These two classes both return at approximately 11:45 on their respective days.
- C12 will leave at approximately 11:45am and return at approximately 2:30pm.

**COST:** There is no cost for the excursion, costs are covered by the City of Rockingham including bus travel. **Please complete the attached consent form and return to the classroom teacher by Wednesday 1<sup>st</sup> May.** (First week of Term 2).

The supervisory team for the excursion consists of each classroom's usual teacher, and to allow for adequate supervision of students at all times, we will need two parent helpers per class. If you are able to help please inform your child's classroom teacher ASAP.

In case of an accident or illness: The school will be contacted in the first instance. The school will then contact the parents.

### **Children will need:**

- Full school uniform including a school hat.
- Water bottle

### **Students will participate in the following activities:**

- Taken to landfill where they will commence a 45-minute tour of the landfill from the safety of the bus.
- Students then have a quick break inside the Waste Education Centre, before learning about the bins, recycling etc. through presentation and a game.

In the case of an emergency: Contact the school who will relay a message to the supervisory teacher.

Thank you for your ongoing support in your child's education.

Kind regards,

Year 4 Teachers

Sophie Harris (C12), Christian Petersen (C13) and Jarrad McCaskie (C14)
