## From the Principal

Newsletter 18  
19 November 2014

### Principal's Word

The year is rapidly coming to an end but there are many events still to take place. Over the next 4 weeks we have Swimming lessons for PP – Year 3, Year 6 and 7 Orientation days, Parent Helpers morning tea, a Whole school assembly, Year 6/7 Mini Fete, Reports home and Year 6/7 Graduation and Dinner Dance. Please ensure that you keep the Term Planner near at hand to see if there is something that concerns your child.

As a part of Department policy there is a requirement that all Government schools undertake surveys to guide their future direction. Therefore, even at this busy time, a parent survey will be distributed to our school community for your response. I would very much appreciate your feedback by completing the survey online. A letter will be sent home with your child in regards to the process in the next week.

### OSH Club

I mentioned in last week's newsletter that before and after school care will be starting for families who attend Safety Bay Primary School. Children will be catered for before and after school during the week commencing from 2<sup>nd</sup> February 2015 (first day children attend). Two meetings for interested parents will be held on Tuesday 9<sup>th</sup> December in the school staff room. The first will be at 2.30pm to enable parents to attend before the end of school and at 6.30pm, before the school Council Meeting.

### Kindy Café

Thanks to all the parents (both old and new) to the school for attending our Kindy Cafés over the past few weeks. They have been extremely successful and we hope valuable to those who have attended. We have a couple more to finish off the year so whether you have attended them all or none as yet you are welcome to attend. Check with the office to find when your child's group attends.

### Year 7 Transition

On Friday our Year 7 students will be attending Safety Bay Senior High school for the first of their Transition days, the second day will be on the following Friday (28th). Both days are very important for the students to get an understanding of what lies ahead in regards to commencing high school in 2015. The students need to meet at Safety Bay Senior High School on Friday morning and will be at school for the full day (8.30am to 2.40pm). The Year 7 Orientation day is scheduled for Friday 5th December.

### Year 6 Camp

Safety Bay Year 6 students are currently attending their camp at Bridgetown. They have arrived safely and are enjoying similar activities that the Year 7's enjoyed last week. As I stated previously, although this is a fantastic opportunity and will be a great experience, it is also a privilege as they are representing Safety Bay Primary School. The Year 7 camp was very successful and enjoyed by all. Mrs Cooke is leading the camp along with Mr Brennan, Mrs McCulloch, Mrs Muirhead and Mr Leeson. We will see them on their return Friday.

### Important information for 457 Visa Holders

You may be aware that the State Government has decided that all 457 Visa holders will contribute towards the cost of educating their children in public schools from January 2015. If your visa status has changed, it is important that you provide a copy of the new Visa Grant Notice to the school office. A helpful list of FAQ's is also available at the school administration office.

### School Council Meeting

This is to be conducted on Tuesday 9th December at 7.00pm in the school staff room. It will be an open meeting which means any parent of the school can attend. As it will follow the OSH Club meeting, parents will be able to attend both. I would encourage any parent who is interested in being more involved in the school to attend.

Dear Parent's

The KidsMatter team have been working on a project called the Sydney Project. This project is slowly coming to fruition. There has been lots of work by staff behind the scene and for them it has been a slow arduous process. We are hoping this will provide the students with equipment that they can use during lunchtime that promotes imaginative play.

We are now asking for some support from our school community. We are trying to collect items for the junior playground. The items need to be of **reasonable condition** as the children will be playing with them. We are looking for:

- Cooking Equipment i.e. old pots, pans, spoons, cooking trays, measuring cups etc.
- Dress up clothes i.e. jackets, shirts, ties, dresses etc.
- Plastic buckets.
- Big thick rope that would require a couple of students to lift.
- Clean tarps

Due to us currently having a limited storage area available, we will only collect a small amount of equipment for this year. If you have anything that you would like to donate please drop it into the office. This will allow us to monitor the amount of equipment that we are collecting.

Please don't be offended if we say that we currently have enough. We will collect more at the beginning of next year.

Thank you in anticipation of your support

KidsMatter Team
