Principal's Word

Yesterday saw our Year 6 students graduate from Safety Bay Primary School. It was a wonderful day, extremely well organised and it was so good to have it in our covered assembly area. I received a number of positive comments from parents who mentioned how pleasing it was to use the area rather than the oval, especially for the younger students.

I would like to congratulate Emily Phillis-Vidler and Kala Taylor for receiving the Citizenship Award presented by Mark McGowan. The Graduating students were presented with a photo and memento to remember their time at primary school. Last night was the dinner dance at the Cruising Yacht Club in Rockingham. This was a great night with lots of dancing and fun and that was just the parents.

Today they have attended Adventure World as their end of year excursion. I'm sure it has been a great day and a wonderful way to finish their time at Safety Bay.

Kindy Café

Thank you to all the parents, both new and old, for attending our Kindy Cafes over the past few weeks. I have seen a great many parents attending both sessions and gaining an insight into the early years learning that happens at Safety Bay Primary School. Thank you to Sandra Casey for her organisation of the days, ably supported by both teachers, Deb McLeod Jones and Kristie Grieve. I hope parents found it useful and informative.

On a personal note, thank you to all the parents who have supported the school so positively throughout the year. Whether through membership on a committee, assisting staff at various events, attending school activities or by simply being a supportive parent, we appreciate your involvement.

On behalf of all the staff at Safety Bay Primary School, I would like to wish parents and their families a safe and happy Christmas and look forward to catching up in the New Year.
