

Hello from the P&C

Welcome to Safety Bay Primary School!

We hope you and your family settle quickly into the community here. As a new family in the school, a great way to meet other local families and find out what is happening in the school, is to get involved with the P&C Association.

The P&C works towards building strong relationships between the school and the community, it helps provide resources for the school through fundraising and takes an interest in educational matters. Most importantly, everything the P&C does is for the benefit of the students.

What can you do?

Whatever you want! There are many ways you can help the P&C. Become a member, stay up to date with school matters, share your ideas, help with events, and more.

To get involved or find out more please contact us or fill in the form below.

Volunteer Opportunities

There are many things happening in the school that need volunteers to run smoothly. A little bit of time from a lot of people will make a huge difference. Some tasks can be completed from home and we can match you up with your areas of interest!

Parents, Grandparents, Carers, Aunts, Uncles, Brothers, and Sisters can all be involved.
