Dear Parents and Caregivers

Kindy Learning Journey

To celebrate the end of the first semester at Kindergarten parents and caregivers of our youngest students are invited to a **Kindy Learning Journey** on **Tuesday 26 June from 8.30 – 9.00am**.

This will give parents and caregivers the opportunity to have a look at their children's portfolio and see the work that they have been doing and the progress that has been made over the course of the semester.

I look forward to sharing this special time with as many parents as possible. Don't forget to put the date in your diary now!

Congratulations!

I would like to take this opportunity to congratulate two of our very talented students who have been selected to represent Western Australia in the sporting arena.

Congratulations to Jake Mitchell who is in year 5. Jake has been chosen to play in the School Sport WA Soccer Team 12's. This team will compete against teams from other states in Darwin in September.

Congratulations to Shania Woodcock-Lawrence who is in year 7. Shania has been chosen to play in the School Sport WA Netball Team. This team will play in Adelaide in July.

We are very proud of Jake and Shania and wish them all the best when representing the state and our school!

Artist-in-Residence: Ashley Collard

This term as part of "Our Story Islands" project all classes have enjoyed working with Indigenous artist and musician Arthur (Ashley) Collard.

Ashley is a published writer, illustrator and musician. He was commissioned to paint artworks for public display at Dumbartung Aboriginal College in Manning.

He has worked with many schools in the local area presenting NAIDOC cultural sessions and teaching students traditional Noongar tool-making, face-painting and songs.

You can see Ashley at work with Safety Bay students in a range of photos included with this newsletter.

Last day of Term 2 for students is Friday 6th July.
First day of Term 3 for students is Tuesday 24th July.

Stormy Weather

The severe weather that we have been experiencing over the past three days has had a significant impact on some schools in our local area.

At Safety Bay Primary School we have been most fortunate to have not suffered any storm damage to our buildings and we have only experienced intermittent power loss as a result of last night's storm.

The only damage caused by the storm was to the many trees we have in and around the school. A team of hard working tree loppers spent most of the day tidying up our school grounds and making sure that there were no broken branches left on trees where they could pose a danger to students.

Please be confident that during this stormy Winter weather our aim at all times has been to ensure the safety of all students, particularly before school and during morning recess and lunch breaks.

P&C Meeting

Don't forget that our last P&C meeting for this term will be held in the staffroom tonight at 7.00pm. All parents, caregivers and community members are most welcome to join us for this meeting.

At this meeting we will be discussing the school fete and fundraising options for the remainder of the 2012 school year.

Regards
Jennifer Lee

Donation of glass jars

Next term Year 4 students will be conducting an activity collecting soil samples and will require a large number of 500ml glass jars. Dolmio jars, coffee jars etc would be a great help. If you have any of these could you please send them to Mrs McCulloch in C17 or bring them to the front office.

Kindy Learning Journey

Tuesday 26th June 8.30am - 9.00am

Commonwealth School Banking

Opening accounts for School Banking – great news!

School Banking accounts can now be opened at any Commonwealth Bank branch. You no longer need to complete application forms and return them to school. Just go into any branch and ask to open a Youthsaver account for School Banking.

Remember to take in identification for you and your child (such as driver's license and birth certificate), you will receive a Dollarmites wallet and deposit book on the spot and be able to start banking on the next business day – it is that easy!

If you are a Commonwealth Bank customer with NetBank you have the option to open the account online as well!

When children make their first deposit they will get their first token and our school will also receive \$5 commission. Thank you for supporting our school and teaching your child good savings skills.

Don't forget our Music Assembly this Thursday at 2pm!

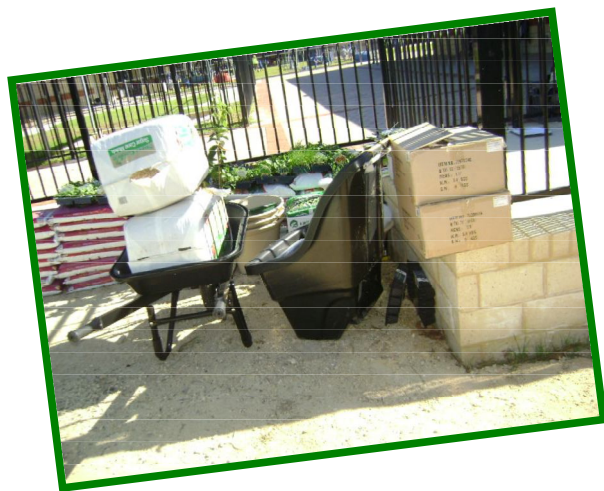

Aussie Bush Band Whole School Performance

Thank You Bunnings

A big thank you to Bunnings Rockingham for the supply of gardening equipment that we won to start our very own sustainable garden. We received items such as lemon, mandarin, lime and orange trees, potting mix, propagation trays, manure, wheelbarrow, garden cart, pot plant containers and numerous seedlings.

"Our Story Islands" Fremantle Prison Excursion

On Tuesday 5th June Year 4 & 5 students visited the Fremantle Prison. They enjoyed a "convict tour" led by a prison guide, they also listened to a talk by a local writer on the topic of the Catalpa Escape. Students also completed study notes and drawings before returning to school.

"Our Story Islands" Artists In Residence.

Artist-in-Residence Ashley Collard taught our Year 1s & 2s a range of painting techniques after their visit to Penguin Island. Thank you to all the parent volunteers who helped on both days.

"Our Story Islands" Rottnest Island Excursion

What a great way to spend a day learning about our state's history. Year 6 & 7 students travelled to Rottnest Island to research and sketch. Students visited the Rottnest Museum, the Wadjemup Burial Ground, Lomas Cottage, the holding cell and the boat shed.

Entertainment Books

Entertainment Books are still available from the front office.

TRASH & TREASURE

Parents and Grandparents of Safety Bay students.... do you have any unwanted items cluttering up your cupboards and sheds?

We are looking for items of historical interest that you might like to donate to our school. These will be used to create history resource boxes. **Suggestions are: flat iron, shoe last, washboard, hurricane lamp, lace doily, olden day tools.....**

Please send the items you no longer want to Jeanette Evans in P10.

Smoking Zone

All areas of the school are no smoking zones. For the health of students and staff please do not smoke anywhere on school grounds. This includes the car parks.

Eagles/Fever Cup Round 3

It proved to be a wise decision to postpone our scheduled matches from Thursday 7th to Friday 8th June for our third round of interschool football and netball matches.

We were fortunate to have sun shining and another home game.

A mix of results this week, with a very close one and two huge margins:

Fever Cup (Netball) "A": Safety Bay 24 drew with Koorana 24
Fever Cup (Netball) "B": Safety Bay 30 defeated Koorana 8

Eagles Cup (Football): Safety Bay 15g 18p (108) defeated Koorana 0g 2p (2)

We have two away games left. Our next game is on June 22nd against Rockingham Lakes whose three teams are undefeated. These should be very exciting, well contested games.

Good luck to all participants.
