

Eagles & Fever Cup 2012

A GREAT START

We had perfect conditions for our first round matches of Eagles and Fever Cup for 2012 on Friday afternoon of May 18th. This was an away game against Cooloongup Primary School.

It was the first time many of our participants had played competitive games in netball and football and they did themselves proud.

Most importantly, sportsmanship and behaviour were exemplary and this was complemented by a win all round. The scores at the final whistle for each of the games were:

Fever (Netball) "A": Safety Bay 44 def Cooloongup 12

Fever (Netball) "B": Safety Bay 31 def Cooloongup 1

Eagles (Football): Safety Bay 11g 9 (75) def Cooloongup 2g 2 (14)

A huge thank you must go to Mr Scott Goodrick for volunteering his time to umpire on the day and Mr Chitty who helped Mr Ribeiro with coaching on the day.

OUR NEXT MATCH

A week had passed and our Eagles and Fever representatives were eager for game number two which was a home game this time against Hillman. The teams were very pleased to see and hear the support from many of our classes who came out to watch the games last Friday, 25th May.

These games were very tight defensive games with teams being fairly evenly matched.

Results for round two matches were:

Fever (Netball) "A": Safety Bay 20 def Hillman 14

Fever (Netball) "B": Safety Bay 10 def Hillman 7

Eagles (Football): Hillman 3g 6 (24) def Safety Bay 1g 8 (14)

Fortunately the comments concerning behaviour, sportsmanship and effort of all our team members for this game could be repeated this week, which is most pleasing.

Another big thank you to Mr Goodrick for umpiring and to Mrs Nichols for washing our footy jumpers.

We had quite a few parents who came to support our teams as well - the children certainly appreciate this.

All the children are looking forward to their next game which is Thursday the 7th June. This will be another exciting home game against Koorana.

We hope to see many of you there.

Mrs White
