

Your P&C needs you

Safety Bay Primary School Parents & Citizens Association (P&C) operates the canteen and the uniform shop. It also organises all the fundraising events at school which have contributed to our classrooms being air conditioned. All the people involved are parents or community members from the school and are all volunteers. P&C meetings are held twice a term in week 4 and week 8 on a Wednesday evening in the staffroom at school.

The P&C operates under a constitution which stipulates that there has to be at least one P&C general meeting held each term. There has to be at least 10 financial members present at the meeting in order for any decisions to be made. The last two meetings have not had enough members present to hold a general meeting and it has been necessary to hold these meetings as Executive Committee meetings where only a membership of 4 is required. Unfortunately this cannot continue indefinitely and if we do not have enough members present to hold at least one general meeting each term then our P&C will have to fold. This would mean that the canteen and uniform shop will have to be outsourced and this would mean that the cost to parents would increase dramatically.

Please come along and support our P&C and the children of Safety Bay Primary School.
